

Elder's Meditation - March 21

"The manner in which we walk through life is each man's most important responsibility, and we should remember this with each new sunrise." — Thomas Yellowtail, Crow

Every spiritual person should carry a vision of God's will in every area of his life. One day at a time, each morning, at sunrise, we should spend time praying to the Creator. We should say something like:

My Creator, this morning
I ask you to show me,
in terms I can understand,
what you have for me to do.

By doing this daily, over time, we will have an unquestionable vision.

Each person is responsible for taking the time to do this.

It will bring great joy and peace of mind to those warriors who do.

MY CREATOR, GIVE ME THE VISION, TODAY,
OF WHAT YOU WANT ME TO DO.
